The League Rules Manual is your primary source of information and all rules in the manual will be followed. Keep these by-laws with your League Rules Manual. You should have your League Rules Manual and By-Laws with you at all League Matches.

All fees and original score sheets must be mailed, faxed or given to the respective bar representative in the return envelopes provided, by the **WINNING TEAM CAPTAIN**. Some in-house locations have drop-off or, with approval, regular match results may also be deposited at an in-house drop-off location.

Steel Tip Cricket MPR recorder sheet must be filled out in its entirety by the HOME TEAM. Any team owing the league money for any type of fees or charges will not be allowed to participate in play-offs, collect trophies or awards until paid in full. The same goes for any individual who owes the league money. That individual will not be allowed to participate in any additional tournaments or participate in league play until paid in full. The NTADA reserves the right to take any fees/dues out of the teams winnings at the end of the season.

Captains will not be allowed to hold a Captains position if their past team(s) owes fees or dues from any previous sessions.

A \$25.00 service charge will be made for each returned check. If three (3) checks are returned during a calendar year, only money orders or cashier's check will be accepted.

4. **TEAM FOLDER REPLACEMENT** – Any team that loses their team packet and requests a replacement packet from the league office will be charged a fee of \$10.00. New Teams will be given one (1) new packet at time of sign-up at no charge to them.
5. **HOME TEAM RESPONSIBILITIES** - The home team is responsible for the score sheet and Marks Per Round (MPR) sheet during regular season play **and Play-Offs**. After the home team captain completes their line-up on the score sheet, he/she should then request the visiting team captain to present their line-up on a piece of paper. The home team captain will then transfer the visitor's line-up to the score sheet. Both team captains will then work together on completing the _01 starting scores and the points/marks for the cricket games in handicap play. They will both agree on the accuracy of the score sheet before the match begins. If these forms not filled out completely, including doing the math to determine the MPR game average, the HOME TEAM will have a \$5.00 penalty for the home office to complete for them.
6. **FORFEITS** - See ADA rule book for Full Forfeit Procedures. **ANY TEAM FORFEITING THE LAST TWO WEEKS OF REGULAR SEASON PLAY OR IN THE PLAYOFFS WILL PAY BOTH TEAMS' WEEKLY FEES!** **If a Team cannot make the scheduled match and a forfeit is to take place, be considerate and notify the other team captain in advance.**
7. **RESCHEDULING** - If a match cannot be played on the scheduled night of play, team captains may agree to reschedule it. **The League Administrator or Division Representative must be notified immediately** and approve the date of the rescheduled match. Both captains should work together to make every effort to reschedule the match within two (2) weeks. If the match cannot be rescheduled, a forfeit will occur for the team that was responsible for the match delay. All weekly fees must be paid for rescheduled or forfeited matches. Unless there are “special” circumstances that are approved by the League Administrator, there will be no re-matches the last two weeks of the regular season. **NO RE-MATCHES** will occur during playoffs unless approved by the NTADA Management.

10. **SCORE KEEPING** - Scorekeepers are not allowed to smoke or drink while keeping score unless permission is granted from the opposing team. Scorekeepers are expected to stand in one place, with as little movement as possible, as to not distract the players while they are throwing.
