Thanks for attending the ADA Mid America Championship at Southland Park!!

Each team or member must play at least one match against another team or member in their category to receive payout money as listed on the payout schedule grid. Events with only one team may not receive payout money. Teams or members who cannot play in a match may choose to change dart types / formats provided they have enough eligible scores before that event starts. Changing type / format may be done at the Registration desk or Control Center.
