Crossing Dart Types and Formats at the National Championship

Example: Soft Tip to Steel Tip or Steel Tip to Soft Tip providing you have a current updated PPDA in each dart type. Example: Neutralizer events to Open events or Open to Neutralizer providing you have a PPDA in the Nationals Tournament Software or ADA Server. For Neutralizer, members must have 20, 301 scores in their member profile.

- 1) You have the option after you compete in the preregistration team and singles events to cross over into another dart type for Saturday & Sunday's events.
- 2) You also have a choice to cross over with the dart format.

Please **NOTE**:

- 1) **When you cross over out of your original pre-register dart type and/or dart format you will forfeit all Most Valuable Member Points in those events that you cross into.**
- 2) **It is up to you to go to the Registration/Control Desk and have your name moved into the changed dart type or dart format and it is up to you to be responsible to switch it back.**

Remember you must have a PPDA in the Nationals Tournament Software to be able to go from Open to Neutralizer (soft and steel).

EVENT COMPETITION

The ADA Championship, Radical software and DartConnect are designed to make the National Championship more efficient. ADA personnel input your ADA membership card number and Radical ID entering you into events. When registration closes, entries are then transferred electronically to the Control Center. The software randomly places members onto the competition bracket. The competition bracket is then downloaded into the ADA and Radical software. A dartboard is assigned and your match card is printed for Steel Tip. Soft Tip assignment is displayed on each Radical. **A Kiosk will also be available in two (2) locations in the event area.** Please Note: To keep on time for events, the **Shot Clock and/or Timers will be enforced, on all events.**

The event bracket is displayed at the "Leader Board Area" and through every Radical Soft Tip Dart machine in the Competition Room which indicates the match and board assignment. For some events, match cards will be available on a table by the Control Center for each round. For the events that do not have match cards, those matches will be loaded into the Radical Soft Tip Dart Machines or in your Radical account on your mobile app. Members are responsible for finding their board assignments at the Leader Board area, a Radical Dart Machine and/or their Radical mobile app.

For more information on the Radical mobile app please click here: <http://eng.radikalplayers.com/noticias/3324/new-radikal-darts-app.html> Members then precede to the match. Should the opposing team/member not arrive within five (5) minutes, take the score card (when available) to the Control Center and the Championship Director will make a 2nd warning call. If the opposing team still has not arrived, notify the Control Center and the Championship Director will make a third and final call after another five (5) minutes has passed. If it goes a third and final call, the team/member then forfeits their turn and the winner advances to the next round. For Radical Soft Tip, the Shot Clock and/or Timers will be enforced.

Each match card contains bar codes (when available), the board assignment, bracket position and pay out indications. Upon completion of the match, simply circle the winner's name and return it to the Control Center. DO NOT interfere with the bar code.

To keep all events running on time, please return match cards (when available) to the Control Center, immediately following the completion of the match. For Radical Soft Tip, the Shot Clock and/or Timers will be enforced. For selected Neutralizer events and Open events, there will also be a score card and MPR sheet with the match card. _01 starting scores, points remaining, MPR and total darts MUST be recorded on the score card and returned with the match card to the Control Center at the conclusion of the match.

ADA NATIONAL CHAMPIONSHIP RULES

ADA Championship competition will follow the basic rules as outlined in the ADA League Rules Manual used in the American Dart League. Exceptions or additional rules are listed below. ADA has the final authority.

STARTING RULES FOR ALL EVENTS

To determine who throws first for the bulls-eye in ALL events, toss a coin. The winner of the toss is the "home team" (or singles player #1) and throws first for the bulls-eye in the odd numbered games. The loser of the toss throws first for the bulls-eye in the even numbered games. In each game, the closest dart to the bulls-eye starts the game.

- a. Soft Tip Darts – count the holes to determine who is closest to the center. In the event of a tie, re-throw with the darts remaining in the board, reverse throwing order. A dart is pulled only when it hits the very center hole.
- b. Steel Tip Darts – a double bulls-eye defeat a single bulls-eye. The member second can request a dart to be removed from the bulls-eye only (single or double). In the event of a tie, remove the darts and re-throw until the tie is broke, reverse throwing order.

GENERAL RULES

1. All ADA members/teams shall abide by these Championship Rules and, where necessary, any supplemental rules established by ADA personnel.
2. Only approved ADA team members are eligible to compete in the National Championship Team, Singles, Doubles, and Mixed Triples events. Non-team ADA members are eligible to compete in the nightly Open Draw Doubles, Warm-Up Cricket Singles, Mixed Doubles, and satellite/ mini's events only.
3. Every member listed on the ADA approved team roster MUST play in the first round of play for the team events. No team will be allowed to play with less than the minimum required members; four (4) members minimum for Team event and three (3) members for the Express event.
4. Any member/team, who during the course of any event, fails to comply with any of these Championship Rules, may be subject to disqualification from any and all remaining events including possible forfeit of entry fees.
5. Good sportsmanship conduct shall be the prevailing attitude throughout the championship to all attendees and guest.
6. Protests – ALL matches must be completed in a sportsmanlike manner regardless of the alleged violation. To file a protest, request an "Official Protest Form" at the Control Center. Complete the form and submit with a \$100.00 filing fee that is refundable if the protest is granted. You will be contacted before the Championship ends if further action will be taken. Your protest will follow the member/team throughout the championship. The "Protest Committee" will review your protest.
7. Skill Level Review – matches cannot be protested for issues regarding members PPDA's. For ALL Skill Level concerns, request a "Skill Level Review Form" at the Control Center. The member's PPDA will then be reviewed by the official "Skill Level Review Committee" on staff at that time. This committee will then take action as needed including future reviews and adjustments to PPDA's.

8. Should the opposing team/member not arrive after five (5) minutes, take the score card (when available) to the Control Center and the Championship Director will make a 2nd call. If the opposing team still has not arrived after 5 minutes, notify the Control Center and the Championship Director will make a third and final call. After 5 minutes and still no opposing team, they have forfeited their turn and the winner advances to the next round. Each member is allowed a nine-dart warm-up
9. Upon completion of some matches, both team captains must sign the match / score sheet, circle the winner, and return the match sheet immediately to the Control Center for processing. Radikal system will automatically forward results to Control Center.
10. Only members involved in the match are allowed inside the playing area.
11. The minimum throwing distance shall be 7'-9 1/4" from the surface of the dartboard to the front of the throw line. The maximum throwing distance is 8'-0".
12. All Team Event matches will be played out to their entirety (race to 7). Teams will be monitored, excessive breaks and stalling will not be tolerated. If a team is taking advantage of this, they will be disqualified and eliminated from the competition.
13. It is permissible for a doubles or triples team to participate while missing a player provided the team forfeits that turn in the throwing rotation. The missing member may join a game in progress provided they join in the proper sequence.
14. Coaching by team members and spectators is allowed but be considerate to other members in matches being played on boards/matches nearby.
15. All prize money MUST be collected from registration/payout center prior to the conclusion of the National Championship. Uncollected prize money will be forfeited and will not be forwarded to any members. Please make certain to watch your match sheets for your place in the event bracket/payout and stop by the registration/payout center frequently to check for unclaimed prize money.
16. Official Eligibility Rules featured on the ADA website also remain intact:
<http://www.adadarters.com/2018-nc-eligibility-rules-2/>

Important Note: In consideration of this entry being accepted and while attending this event, I hereby for myself, my heirs, executor's, administrators, and assigns, waive and release any and all rights and claims for damages I may have against the ADA, ADL, staff, successors, sponsors and assignees, for any and all injuries arising out of my participation in the said athletic event. - c. All cricket games, both Neutralizer and Open, are to be played with the double bull “activated” (split bull-single worth 25 points & double worth 50 points)

Steel Tip Darts

All games are to be played with the bull split (bull-single worth 25 points & double worth 50 points)

- a. For a dart to score it must remain in the dartboard a minimum of five (5) seconds after the third or final dart is thrown.
- b. A dart’s score shall be determined from the side of the wire in which the point of the dart entered the dartboard. Should a dart lodge directly between the connecting wires of the dartboard, making it impossible to determine on which side of the wire the dart resides, the score shall always be the higher value of the two segments in question.
- c. Verification of the score is the responsibility of the score keeper and the score shall stand once the darts are pulled from the dartboard. No darts shall be touched prior to the decision of the score keeper.
- d. The score keeper may inform the member on how many points have been scored or how many points remain, but only when asked.
- e. While the score keeper shall be the sole authority in charge of the game, his calling of the scores may be challenged by either member or their respective Captain.
- f. In all events, a member throwing out of turn shall receive zero score for that turn and his team shall forfeit that turn.
- g. If after 51 rounds and both members are shooting for double one, the member who shot for bull first shoots for bull first again. If no one wins, it’s the one closest to the bull wins game.
