We take pride in our National Championship and welcome all our members from all over the world. We have bragging rights too, that the ADA and our members are the best! And, just as important is our favorite tradition, the rekindling of old friendships and creating new ones.

Visit Baton Rouge is welcoming us to Louisiana to host our competitive and exciting event. The beautiful Crowne Plaza Baton Rouge will be our host location. We thank both of them for having and working with us to make this National Championship event and your stay the best that it could be. Please respect and enjoy all its amenities.

We know you are traveling with darts in mind, but if you are traveling with family and venture out for other forms of entertainment. Here are just a few suggestions. Visit Baton Rouge, our Title National Championship Partner, suggests many fun spots, such as the LSU Campus where Mike the Tiger resides, the Insta-Gator Ranch & Hatchery. For the history buffs, visit the Old Louisiana Capitol, and the USS Kidd (WWII Destroyer) Veteran's Museum. And of course, a taste for the thirst, the local Oxbow Rum Distillery. There are many river boats on the Mississippi to see. You can also try your luck outside of darts at the Bally's Casino and or L'Auberge Baton Rouge.

We gratefully thank all of our business associates, sponsors and organizations who have contributed to the 2026 National Championship; Archies Darts & Live Streaming, Bally's Casino Baton Rouge, Club AXO, DartConnect, Dinn Bros. Trophies, EDC Remote Dart Tournaments, Flashpoint, GJR Ltd, GLD Products, Hat Trick Vending, Huddle Up Group, Jostens (PRO Rings), L'Auberge Baton Rouge, Louisiana Tourism, Oxbow Rum Distillery, Phoenix Darts USA, Radikal USA, REM Technologies, Slick Graphics-Larry Strader, The Dart Guys, World Axe Throwing League, Wes VanAlstyne, Viper, and our outstanding ADA Representatives nationwide!

We appreciate all of them, their support and the products donated for each Captain's Welcome Goodie Bag, helping us make this event fun & successful!

This year our National Anthem will be presented by our ADA Area 199 member, Jamie Hollobaugh.

Please review this program as some of the events, rules and regulations may have changed from the posting on the ADA website and your team approval letter. Make sure to attend the Captain's meeting in the Finals area on Wednesday, July 29th at 12:00 pm. Should you have additional questions, please don't hesitate to ask. Team pictures will be scheduled for Wednesday, July 29th after 12:00 pm and Thursday, July 30th after 8:30 am, in the Ballroom by Staff photographer, Rebecca Cavender. Only members that have competed in the Team or Women's Team Event on Thursday during the 2026 National Championship are eligible for the Friday Singles, the Doubles, the Mixed Doubles, and the Mixed Triples events.

Switching Dart Types and Formats at the National Championship

Example: Soft Tip to Steel Tip or Steel Tip to Soft Tip providing you have a current updated PPDA in each dart type.

Example: Neutralizer events to Open events or Open to Neutralizer providing you have a PPDA in the Nationals

Tournament Software or ADA Server. For Neutralizer, each member must have at least 30, 301 and/or 501 singles scores in their member profile.

- 1) You have the option after you compete in the preregistration team and singles events to switch over into another dart type for Saturday & Sunday's events.
- 2) You also have a choice to switch over with the dart format, with proper PPDA requirements.

Please NOTE:

- 1) **When you switch out of your original pre-register dart type and/or dart format (Team Event Format) you will forfeit all Most Valuable Player (MVP) Points in those events that you cross into.**
- 2) **It is up to you to go to the Registration/Control Center to fill out the form, pay the processing fee of \$7.00, per member, per event and have your name moved into the changed dart type or dart format. It is also up to you to be responsible for switching it back. This procedure must be completed the day prior to the event.**

Remember you must have a PPDA in the Nationals Tournament Software/ADA Server to be able to go from Open to Neutralizer (soft and steel).

EVENT COMPETITION

The ADA Championship, Radikal software, and DartConnect are designed to make the National Championship more efficient. ADA personnel input your ADA membership card number and Radikal ID entering you into events. When registration closes, entries are then electrically transferred to the Control Center. The software randomly places members onto the competition bracket. The competition bracket is then downloaded into the Radikal software. A dartboard is assigned, and your match card may be printed for Steel Tip. Soft Tip assignments are displayed on each Radikal machine. Please Note: To keep on time for events, the **Shot Clock and/or Timers will be enforced on all events.**

The event bracket for Soft Tip is displayed through every Radikal Soft Tip Dart machine and the Radikal mobile app in the Competition Room which indicates the match and board assignment. For Steel Tip the event bracket is displayed through DartConnect and App. For some events, match cards will be available on a table by the Control Center for each round if needed. For the events that do not have match cards, those matches will be loaded into the Radikal Soft Tip Dart Machines or in your Radikal mobile app. Members are responsible for finding their board assignments at the Leader Board area, a Radikal Dart Machine and/or their Radikal mobile app.

1. For more info on the Radikal mobile app: <http://eng.radikalplayers.com/noticias/3324/new-radikal-darts-app.html>

Members then precede to the match. Should the opposing team/member not arrive after five (5) minutes, take the score card (when available) to the Control Center and the Championship Director will make a 2nd call. If the opposing team still has not arrived after 5 minutes, notify the Control Center and the Championship Director will make a third and final call. After 5 minutes and still no opposing team, they have forfeited their turn, and the winner advances to the next round. **Both Team Captains need to log into the machine! "PRESS START"** For Radikal Soft Tip, the Shot Clock and/or Timers will be enforced.

For Radikal Soft Tip, the Shot Clock and/or Timers will be enforced. For selected Neutralizer events and Open events, there will also be a score card and MPR sheet with the match card. _01 starting scores, points remaining, MPR and total darts MUST be recorded on the score card and returned with the match card to the Control Center at the conclusion of the match.

ADA NATIONAL CHAMPIONSHIP RULES

ADA Championship competition will follow the basic rules as outlined in the ADA League Rules Manual used in the American Dart League. Exceptions or additional rules are listed below and in previous emails and Captain meeting. ADA has the final authority.

STARTING RULES FOR ALL EVENTS**

To determine who throws first for the bullseye in ALL events, toss a coin. The winner of the toss is the “home team” (or singles player #1) and throws first for the bullseye in the odd numbered games. The loser of the toss throws first for the bullseye in the even numbered games. In each game, the closest dart to the bullseye starts the game.

- a. Soft Tip Darts – count the holes to determine who is closest to the center. In the event of a tie, re-throw with the darts remaining in the board, reverse throwing order. A dart is pulled only when it hits the very center hole.
- b. Steel Tip Darts – a double bullseye defeats a single bullseye. Only the second member can request a dart to be removed from the bullseye (single or double). In the event of a tie, remove the dart(s) and re-throw until the tie is broken, reverse throwing order.

GENERAL RULES

1. All ADA members/teams shall abide by these Championship Rules and, where necessary, any supplemental rules established by ADA personnel.
2. Only approved ADA team members are eligible to compete in the National Championship Team, Singles, Doubles, Mixed Doubles, and Mixed Triples events. Non-team ADA members are only eligible to compete in the Blind Draw Doubles, Warm-Up Cricket Singles, and Youth events.
3. Every member listed on the ADA approved Team/Women’s Team roster MUST play in the entire event. Team Event requires four (4) members, Women’s Team Event requires four (4) members.
4. Any member/team who, during the course of any event, fails to comply with any of these Championship Rules, may be subject to disqualification from any and all remaining events including possible forfeit of entry fees.
5. Good sportsmanship conduct shall be the prevailing attitude throughout the championship to all attendees and guests.
6. Protests – ALL matches must be completed in a sportsmanlike manner regardless of the alleged violation. To file a protest, request an “Official Protest Form” at the Control Center. Complete the form and submit with a \$100.00 filing fee that is refundable if the protest is granted. You will be contacted before the Championship ends if further action is taken. Your protest will follow the member/team throughout the championship. The “Protest Committee” will review your protest.
7. Skill Level Review – matches cannot be protested for issues regarding members PPDA’s. For ALL Skill Level concerns, request a “Skill Level Review Form” at the Control Center. The member’s PPDA will then be reviewed by the official “Skill Level Review Committee” on staff at that time. This committee will then take action as needed including future reviews and adjustments to PPDA’s.

8. Each member is allowed a nine-dart warm-up. Should the opposing team/member not arrive after five (5) minutes, take the score card (when available) to the Control Center and the Championship Director will make a 2nd call. If the opposing team still has not arrived after 5 minutes, notify the Control Center and the Championship Director will make a third and final call. After 5 minutes and still no opposing team, they have forfeited their turn, and the winner advances to the next round. **Both Team Captains need to log into the machine! See how to Log into Radikal machine below. ****
9. Radikal system will automatically forward results to Control Center.
10. Only members involved in the match are allowed inside the playing area.
11. The minimum throwing distance shall be 7'-9 ¼" from the surface of the dartboard to the front of the throw line. The maximum throwing distance is 8'-0".
12. All Team / Women's Team Event is a race to 7; winner's bracket and a race to 5; loser's bracket. Teams will be monitored; excessive breaks and stalling will not be tolerated. If a team is taking advantage of this, they will be disqualified and eliminated from the competition.
13. It is permissible for a doubles or triples team to participate while missing a player provided the team forfeits that turn in the throwing rotation. The missing member may join a game in progress provided they join in the proper sequence.
14. Coaching by team members and spectators is allowed but be considerate of other members in matches being played on boards/matches nearby.
15. All prize money MUST be collected from the registration/payout center prior to the conclusion of the National Championship. Uncollected prize money will be forfeited and will not be forwarded to any members. Please make certain to watch your match sheets for your place in the event bracket/payout and stop by the registration/payout center frequently to check for unclaimed prize money after each event is completed.
16. Official Eligibility Rules featured on the ADA website also remain intact:

<https://www.adadarters.com/2026-national-championship-eligibility-rules/>

SCORING RULES

For both Soft Tip and Steel Tip darts, a dart shall be counted as part of the turn if it hits the dartboard, backboard or dart machine.

Soft Tip Darts

- a. Neutralizer 501 games are to be played with the double bull “deactivated” (entire bull worth 50 points).
- b. Open 501 games are to be played with the double bull “activated” (split bull-single worth 25 points & double worth 50 points).
- c. All cricket games, both Neutralizer and Open, are to be played with the double bull “activated” (split bull-single worth 25 points & double worth 50 points).
- d. In all events, a member throwing out of turn shall receive zero score for that turn and his team shall forfeit that turn.

Steel Tip Darts

All games are to be played with the bull split (bull-single worth 25 points & double worth 50 points)

- a. For a dart to score it must remain in the dartboard a minimum of five (5) seconds after the third dart or final dart is thrown.
- b. A dart’s score shall be determined from the side of the wire in which the point of the dart entered the dartboard. Should a dart lodge directly between the connecting wires of the dartboard, making it impossible to determine which side of the wire the dart resides, the score shall always be the higher value of the two segments in question.
- c. Verification of the score is the responsibility of the score keeper and the score shall stand once the darts are pulled from the dartboard. No darts shall be touched prior to the decision of the score keeper.
- d. The score keeper may inform the member of how many points have been scored or how many points remain, but only when asked.
- e. While the score keeper shall be the sole authority in charge of the game, his calling of the scores may be challenged by either member or their respective Captain.
- f. In all events, a member throwing out of turn shall receive zero score for that turn and his team shall forfeit that turn.
- g. If after 51 darts/17 rounds and both members are shooting for double one, the member who shot for bull first shoots for bull first again. If no one wins, it’s the one closest to the bull wins the game.
